

Equipment Theft Alert

Washington Deere Excavator 8.2.2014

The below described John Deere Mini Excavator was stolen from a job site near I-5 in Lynnwood, Washington sometime after it was last seen at 4pm Saturday August 2.

Please forward this alert to anyone that may have encountered the machine being loaded or transported anywhere in the region since Saturday evening.

Snohomish County report: SO14-13498

Contact: Snohomish County Detective Haldeman 425-508-8278

Machine Details:

Make/Model: 2014 John Deere 50-G

Type: Mini Excavator

Product Identification Number:

1FF050GXTEH280977

Owner Applied Number: **L47**

At the time it was stolen, the machine had a bucket installed with "ULC" prominently welded on it. Thieves also took an unmounted 36" clean out bucket, also with "ULC" welded on it.

Pictured is a sister machine from the same fleet. The stolen machine has the OAN "**L47**" in place of the pictured L48.

Note the machine is open cab, and the owner decals reading "**Universal Land Construction.**"

Pictured to the left is a similar 50-G illustrating the machine PIN plate location on the boom mount.

Law Enforcement - For access to NER's equipment ownership registration and theft records, and for machine identification assistance, call NICB:

800-447-6282

Industry- Report suspicious activity involving equipment immediately: dial **911** if you witness something that does not add up.
